

Lighten Up, Loosen Up

When you take a Richard Stephens workshop you will be exposed to three main things. Informative technical information sprinkled with humor and anecdotes, entertaining and educational painting demonstrations and lots of one on one time with Richard.

About Richard: A native of Hot Springs, Arkansas, Richard Stephens earned a BA from the University of Central Arkansas in 1969. He served in the Army as an illustrator. Stephens began his professional career as a commercial artist. After discovering transparent watercolor in the early 90's, he became known for his confident, loose, impressionistic paintings. His works have won awards in numerous national competitions and he has earned signature member status in several major Watercolor Societies. His work has been published in Watercolor Magic, SPLASH, Watercolor Artist Magazine and The Art of Watercolor. See his web page at www.raswatercolors.com or his Facebook page: "Richard Stephens Watercolors"
