PRESIDENT'S MESSAGE MAY 2011

## ART MAKES LIFE BEARABLE

Many new insights such as this statement were shared with us during the critique of our Annual Membership Show by our Judge, Mr. Michael Slaughter. Michael's inspirations are shared in this issue. Thank You, Mr. Slaughter for being our judge and for making all of us feel uplifted during this stressful economic time.

Also inside this issue you will see the names of all of our winners, Congratulations to our Best of Show Winner, this year Kathy Sherman. Our awards were spread out among several different media's and different styles and techniques. Good job everyone. I have to say, that I was personally impressed with all of you.

Bev Pullen has an article about an opportunity for you to exhibit your art at the Grand Opening of Peoria's brand new downtown library. Be sure to get the particulars and take advantage of this excellent opportunity.

Our board will be meeting in June and then taking a couple of months off for the summer. In the meantime, yours truly will be working on getting your art produced in to post cards for our soldiers. Amazingly, this is still a very worthwhile project and we will keep you informed as it progresses.

We are also going to be fine tuning our Anniversary Annual, for distribution within the community, details will be forth coming. Did I say we were taking the summer off???? Hmmm.

Our workshops for September and October are all set up, keep your eyes open for those applications. We will also be recommending some changes to our by laws at our next annual meeting, be sure to read about those and offer your opinion.

Finally, we are looking for a couple of new board members. This board has been serving for a minimum of 3 years and more for a few people. It is time to let them have some creating time and get a few of you to step in and take their place. Call or write if you want to be part of taking the league into the next 50 years.

It has been my pleasure serving as your President and I too am looking forward to some creating time.

Be your Best Self and have a great spring!

Linda K. Freeburg

FOLLOWING ARE SOME OF THE COMMENTS SPOKEN BY MICHAEL SLAUGHTER PRIOR TO HIS CRITIQUE AT OUR ANNUAL MEMBERSHIP SHOW. Enjoy! LINDA K. FREEBURG

As I anticipated judging the Art League Membership Show last Friday, I remembered an observation from many years ago: "ART MAKES LIFE BEARABLE"

In these complicated and conflicted times in which we live, when we devote so many of our emotions and sensibilities to distressing and depressing matters, I truthfully believe we can be uplifted and released from our worldly lives when we embrace the talents and creations of artists.

AFTER ALL, ART PRESENTS MAN AT HIS BEST AND NOBLE

Ernest Hemmingway said, "LIFE IS FINE AND GOOD UNTIL IT ISN'T". In an art exhibition we can discover serenity, we can have dialogue with new subjects and images and we can observe masterful creative technique; we can focus on "human" endeavors to restore our spirits and to appreciate enjoyed living. I believe art can be therapy for an anxious America.

Best of all, the artist and the viewer can become mingled souls.
